

# **Friends of the Dictionary of Old English in Support of the Triangle Community Challenge 2017-2018**

In 2013, the DOE was awarded a five-year, \$500,000 Challenge Grant from the Triangle Community Foundation. This grant was to be disbursed in yearly instalments of \$100,000, provided that we matched this amount dollar-for-dollar in newly raised funds. We are delighted to report that the DOE successfully raised the fifth and final \$100,000 instalment of the Challenge with donations received by 4 Apr. 2018. We are very grateful to each one of you for your generous gifts. Without your support, we could not have met this five-year challenge.

We hope to have included below all those who have so kindly supported our research, but must apologize to any of our donors inadvertently left off this list of acknowledgements. Donors who supported our research in honour of or in memory of individuals are also noted separately. This list encompasses gifts received between 16 Dec. 2017 and 15 Dec. 2018.

Your generosity has been invaluable, and we thank each one of you.

Haruko Momma
