

# **Friends of the Dictionary of Old English in Support of the Triangle Community Challenge 2016-2017**

In 2013, the DOE was awarded a five-year, \$500,000 Challenge Grant from the Triangle Community Foundation. This grant is disbursed in yearly \$100,000 instalments, provided that we match this amount dollar-for-dollar in newly raised funds. With gratitude to all of our donors, we report that the DOE successfully met the fourth \$100,000 of the Challenge with donations received by 31 Dec. 2016 plus a generous grant from the Gladys Kriebel Delmas Foundation. All donations received since that date are being used to release the final \$100,000 by 1 June 2018.

We hope to have included below all those who have so kindly supported our research, but must apologize to any of our donors inadvertently left off this list of acknowledgements. Donors who supported our research in honour of or in memory of individuals are also noted separately. This list encompasses gifts received between 16 Dec. 2016 and 15 Dec. 2017.

Your generosity has been invaluable, and we thank each one of you.
